To: School Nurses Kenmore Town of Tonawanda School District
From: Donna Bartolone SNP, Medical Director
Subject: Alcohol Based Sanitizers

In compliance with the directive from School health Services regarding alcohol based hand sanitizers:

It is permitted to use them, if soap and water are not available. Washing hands with soap and water is first line of preventive measures.

[You may wish to provide parents with the tear off reply below, if parents elect to avoid use of alcohol based hand sanitizers for their child.](#)

May 2009
Dear Parents,
In the school setting, use of alcohol based hand sanitizers is permitted if soap and water are not available to wash hands.

If you elect to have your child refrain from using alcohol based hand sanitizers, please complete this note and return to the school nurse. Only reply if you do not want the child to use the product.

Name of student _____ Grade _____

Parent/Guardian signature _____

Thank you, School Nurse
